

# Set Your Own Schedule and earn extra income From Home

**INSIDE SALES ASSOCIATED | EARN \$7,700.00/MONTH**  
**SET YOUR OWN HOURS | FULL OR PART-TIME**

Compiling and qualifying sales leads means you would mostly be entering company and contact information into our manual and electronic Sales / CRM systems; cold-calling prospects to “warm-up” the calls; and passing your warm leads (i.e. qualified leads) off to Outside Sales Associates for follow-up.

In addition, for interested individuals this role holds the potential to grow into an Outside Sales & Marketing Associate role. As an Outside Sales & Marketing Associate, you would be responsible for new sales. This position comes with an increase in commissions.

## Compensation Model

**EXPECT TO EARN \$6,000.00 / MONTH TO START**

The role of Inside Sales Associate starts as a 100% commission-based position, with the potential to add a salary-based component should certain milestones and mastery are met.

Because the role starts as a 100% commission role, the commission levels are at an industry high 50%.

At a minimum, you should expect to earn \$7,700.00 / month. This is a conservative estimate based on 1 entry level project closed per week by your Outside Sales Team based on the qualified leads you provide.
